

DEPARTMENT THESIS/PROJECT PROPOSAL FORM

Please complete this form and obtain signatures of approval. Submit the form and proposal for your thesis/project to the Honors College main office. This form is for college records and will be placed in your student file.

In an effort to encourage in-depth research and to avoid unnecessary duplication, the UNM Honors College will accept up to six credits of department thesis/project work toward the requisite number of credit hours required to graduate with Honors.

Students are expected to present their research at an appropriate venue and to provide the Honors College with a copy of the thesis/project via e-mail to honors@unm.edu by the Friday prior to finals exam week.
