HSA Meeting Minutes

Honors Student Association
Friday, March 22, 2019
1:00 PM Honors Room 16

Announcements:

- **ASUNM Updates**
  - Budget leadership team will be meeting and voting on the potential budget for next year (determines student fees, tuition, etc.)
    - IT requested student fees requested $1.8 million, which wasn’t all approved because part of the money was going to faculty/staff salary which isn’t supposed to be happening with student fees, so IT pulled their entire request and suggested an IT fee which wouldn’t be based on number of credits but as a flat rate dependent on number of students attending.
    - One option is ~$80 that covers Fall/Spring/Summer semesters to do normal stuff, or an increase for an Adobe Cloud addition that would be $20/fiscal year. Adobe would teach teachers how to use Adobe Cloud so they can teach students. Governing bodies of UNM are posing polls to get student opinions. Adobe would build a new building on campus for IT and collaborative learning center that would facilitate learning how to use the programs in Adobe Cloud.
  - Legislation packet adds 10 seats to the senate body which would be comprised of representatives from other colleges/resource centers would diversify the voting body.
    - FAILED- because adding seats to the senate body is difficult and ensuring the designation of seats is very complicated; more thought and collaboration will happen with that and it will be revisited.
    - When it *does* get passed, it will require a UNM constitutional change which requires a student body vote.
  - Presidential voting begins on Monday!
  - Senate packets to run for a senate position due on April 1(?)
    - Don’t forget to vote for senate when the time comes!

- We will be moving to the basement of Anderson East next Fall 2019
  - Honors expects to get a new building in Fall 2022

- Fiestas is coming up!
  - Free music festival available for students (and public)! See the HSA Instagram post for a line up
  - There will be food, food trucks, bake sale, etc.
  - Support other student organizations!
