

JEADI Distinction Approved Courses

Updated September 2, 2025

JEADI Distinction Requirements

Requirements (12 credit hours)

- At least 9 credit hours must be from JEADI Distinction approved course list
- 3 credit hours can be from Critical Analyses of U.S. and Global Cultures (CAC) list or UHON/HNRS
- 3 credit hours of the 12 CH must be upper division

Students must complete one of the four Honors Interdisciplinary Liberal Arts credential pathways in order to earn the JEADI distinction. The JEADI Distinction courses do not need to be in addition to coursework already completed for the Honors Interdisciplinary Liberal Arts credential.

JEADI Course List

The Honors College JEADI Committee keeps a running list of approved JEADI courses and updates the approved course list every semester at the beginning of September and February. The courses are approved for five years and the JEADI committee will maintain this course list.

Students must take the Honors College course within the approved timeframe for the course to be eligible to apply towards the JEADI Distinction.

Please note that JEADI courses are not offered every semester, so students should plan accordingly during their Honors College experience to take courses from the JEADI course list.
