

DISCOVERY SERIES:

OPEN TO THE PUBLIC

Thursday, Sept. 11, 2025
12:00-1:00 pm
Honors College Forum

"Representation Matters: The Art of Zanele Muholi"

As part of the Honors College Discovery Series, Professor Megan Jacobs will give a talk connected to our Creativity motto titled "Representation Matters: The Art of Zanele Muholi." Based on the work of an inspiring global and community-centered artist, this talk is the result of research Professor Jacobs accomplished as part of the Semester at Sea program in Spring 2025.
